This is now apparent and due to the other people involved who have taken apart in destroying my life as of so far, meaning as of this far in</p>

	<p>age of mine. These people have now been highlighted as such, to which led to evidence getting contained within side of this document of mine. The day progressed without any bother from my neighbours as a whole group, which for me is a gift from above because it has become far from the normal day to day's events that I get induced to thought. I studied hard at work, right up until 04:00Pm.</p> <p><u>When trouble starts: --</u> As per normal I received a knock at my front door while I was at my computer writing my report and avoiding the officials to which my report reflects upon.</p> <p><u>Reason; Safety: --</u> As I maintain the goal and causes of my work at the present, I have to keep safety as a number one concern of mine because of the foul play I have been in receipt of and this means that simple daily practices that a British citizen just take to be a part of a life's routine have been changed for me, to set an example tasks such as the following three situations have been affected and in route compile a large list of breaches to my human rights.</p> <p>1.</p> <p><u>Safety</u> to me means staying indoors safe until the problem of my cause(s) are rectified so that no person can abused their position to undermined me like has pressed to circulate as of so far, or manage to achieve going even further in their disrespect for law by dispensing of me and the truth therefore at the present time causing safety for myself to be a key part of my stringent process of mine to oversee my goals, in short, I stay indoors a lot more so, that do not get victimised and then labelled as the perpetrator.</p> <p>The negative effects this causes me even low I use my time wisely transpire to be some of the listed</p> <p>1.1</p> <p>I do not go out and socialize or cause myself more havoc in my daily life's routine for safety reasons. in-turn putting myself in harm's way if a routine were to be scheduled for myself to go outside of my premises more than I do at the present time.</p> <p>Causing a lack of socialism between me and others. I chose not to put other people live at risk due to the death defences attitudes of official behaviour towards</p>

		<p>our well-beings, Portraying Gross Misconduct towards our lives for their own out of bounds focuses of causes.</p> <p>to socialise with others that much anymore due to my security and safety being comprised because of official persons continue to illegally victimise myself or sometime just simply causing negligence towards me.</p> <p>1.2</p> <p>1.3</p> <p>2.</p> <p>3.</p> <p><u>Opening my front door in safety: --</u></p> <p>When I went to my front door to see who was knocking, I looked through my keyhole to see who was present. I noticed one person that I had meet about 2 times before had of this day.</p> <p>I could remember his name well and this was because his chosen choice of actions in the past dates leading up to this date that had accumulated over about a half a year period of time prior.</p> <p>What he had done to me in the past has and still does caused me a large negative effect and therefore caused damage to my way of life.</p> <p>Together himself who is named as Alley from North London Southgate Area and his friend who I introduce as Alley's friend 1 Ambrose the correct past tenancy holder of 113 Burncroft Avenue, Between the date of 00/00/0000. 00/00/0000.</p> <p>Had both continued to attack me against my free will, as already explained in this document.</p> <p>After asking him what he wanted I heard Alleys voice it never took me too long to recognise who it was after seeing him and hearing him.</p> <p>Alley's voice is very recognisable because when he speaks his voice and attitude towards himself and others are as if he can deceive any person in the world, an example, I know he has attacked me even low he does not know me,</p> <p>But he still came to my front door chatting as if we had been best friends for twenty years or more of our life's and without any acceptance or acknowledgment of the position him and Ambrose have left me in by taking apart</p>
--	--	---

		<p>in the evil and cruel treatment that they subjected me towards.</p> <p>Alleys voice on this day and the past six other actions that he has come down to my front door without myself ever answering the door in total to him, sounds like he has never done any of the evil things that he has to me in layman terms he sounds fake and unsympathetic towards the issues, but still sounds like he is trying to be your best friend when his actions speak different.</p> <p>When asking Alley why he was at my front door he explained to me that he just wanted to say hello to me alongside with this following comment, Ally explained that he still had a key for the flat upstairs referring to 113 Burncroft Avenue</p> <p>And that he intended to enter the premises and sleep over the night.</p> <p>I found this wired as I have never really got along with him as I have explained, and I also understood that the flat had gotten vacated about 2 months prior.</p> <p>I explained that this was not my decision to take apart of and that I personal did not have a problem with his decision personally, when I said this to him, I hoped that he had the brain cells available to possess the whole citation, for himself to then on after in a respectful manner, if he did choose to go ahead with his decision.</p> <p>While Alley was present still outside of my front door I asked Alley what was going on with Ambrose, because it was Alley who had come down to my front door and told me that he was going to be staying upstairs for a little while until the Enfield Council took the keys back of them both due to Ambrose losing the Flat and getting placed into a Mental Hospital again for the reason of testing positive on a drug test alongside other problems of his. I was shocked before when told what had happened to Ambrose, even allow, he had been the one attacking me without any fair cause not that any person should be issuing punishment without law anyway.</p> <p>I knew that I was right also on this day by not opening the door to Ally from the start and then on afterwards by deciding that I was defiantly not going to open it to him.</p> <p>I had heard a part of what Ally had to say.</p> <p>A few bangs on the floor but nothing major or abnormal to standard living.</p> <p><u>Later the same day:</u> "Ally and Friend 2 Unnamed at this time"</p>
--	--	--

Suddenly, a loud intrusive mad banging started above my head and did not stop I moved around my flat and the people / person in 1113 were following me around again banging objects above my head

Getting Arrested Partly for Trusting Alley!

While indoors I started to tidy up, straight after awaking at 07:00am. I soon afterwards found myself sitting back at my commuter table working hard and of no bother to any other person by the time of 7;30Am.

When working I noticed that I was again getting attacked by other people or a person's, adding more upset to my problems.

To further my understanding of what was happening to myself.

I noticed someone or more were inside of the flat above mine hitting the floor with objects. Door number 113 Burncroft Avenue

I decided to move to another location within side of my flat and see if I got followed to where I stood for the same action of others to re occur.

Doing this made me sure that the banging above my head was not just Alley Squatting in a residential flat doing a so-called normal living routing.

At that point of time, I believed it to be Alley, who had knocked at my front door the day before and explained to me that he was going to be staying inside of the flat in turn meaning without legal consent I.e. Squatting in a residential premise.

While getting attacked I felt upset that I had trusted him again after what he and Ambrose had done prior to me I.e.

1) Hitting the floor with objects.

- 2) Following me around in my flat
- 3) Flushing the toilet continuously when I am in my bathroom.
- 4) Not allowing me to live in my rented home while enjoying it.
- 5) Slamming Windows
- 6) Flooding the flat.

As prior explained, because of the current day prior, I thought that this person would be Alley, who had knocked at my front door so I decided that I would go upstairs and ask him if he could mind what he is doing in the flat.

When I knocked on the front door, I was quite supposed to hear a young females voice

and his Friend 2 a female with an unknown name as this time.

2:00Pm Soon after staring work stuck the clock.

03/09/2017	The new tenant of 113 has moved in as I can now hear him moving around, I expect my mother to be right about who she sees being the new tenant for 113. I think he must know what has been going on to me in my flat with the past tenants as he keeps checking the floorboards still squeak and exactly were, they squeak. Technically he has started to play with the floor boards to wind me up. I am just going to leave it for now because I do not want to get accused of being over cautions in regards to the matter.

Next I heard his front door open and slam shut. I thought about what this person had just done to me in my home and decided to jump up and put my clothes on and trainers before he got out of the block of flats by going down the stairs first.</p> <p>In achieving this I rushed to my front door and opened it I hurried out of my front door not to miss the person who had just been attacking me.</p> <p>I went outside</p> <p>I went in my flat with Ambrose</p> <p>I went upstairs with Ambrose</p>

25/05/2019	<p><u>Alley & Co, Opening my front door in safety: --</u></p> <p><u>Morning: --</u> I Woke up this morning and I felt fed up of all the work that I am now faced with in creating my defence paperwork so to be able to receive the correct gratitude my life deserves. This is now apparent and due to the other people involved who have taken apart in destroying my life as of so far, meaning as of this far in age of mine. These people have now been highlighted as such, to which led to evidence getting contained within side of this document of mine. The day progressed without any bother from my neighbours as a</p>

whole group, which for me is a gift from above because it has become far from the normal day to day's events that I get induced to thought. I studied hard at work, right up until 04:00Pm.

When trouble starts: --

As per normal I received a knock at my front door while I was at my computer writing my report and Avoiding the officials to which my report reflects upon.

Reason; Safety: --

As I maintain the goal and causes of my work at the present, I have to keep safety as a number one concern of mine because of the foul play I have been in receipt of and this means that simple daily practices that a British citizen just take to be a part of a life's routine have been changed for me, to set an example tasks such as the following three situation have been effected and in route compile a large list of breaches to my human rights.

1.

Safety to me means staying indoors safe until the problem of my cause(s) are rectified so that no person can abused their position to undermined me like has pressed to circulate as of so far, or manage to achieve going even further in their disrespect for law by dispensing of me and the truth therefore at the present time causing safety for myself to be a key part of my stringent process of mine to oversee my goals, in short, I stay indoors a lot more so, that do not get victimised and then labelled as the perpetrator.

The negative effects this causes me even allow I use my time wisely transpire to be some of the listed

1.1

I do not go out and socialize or cause myself more havoc in my daily life's routine for safety reasons. in-turn putting myself in harm's way if a routine were to be scheduled for myself to go outside of my premises more than I do at the present time.

Causing a lack of socialism between me and others. I chose not to put other people life's at risk due to the death defences attitudes of official behaviour towards our well-beings, Portraying Gross Misconduct towards our lives for their own out of bounds focuses of causes.

to socialise with others that much anymore due to my security and safety being comprised because of official persons continue to illegally victimise myself or sometime just simply causing negligence towards me.

Opening my front door in safety: --

When I went to my front door to see who was knocking, I looked through my keyhole to see who was present.

I noticed one person that I had meet about 2 times before had of this day.

I could remember his name well and this was because his chosen choice of action's in the past dates leading up to this date that had accumulated over about a half a year period of time prior.

What he had done to me in the past has and still does caused me a large negative effect and therefore caused damage to my way of life.

Together himself who is named as Alley from North London Southgate Area and his friend who I introduce as

Alleys friend 1 Ambrose the correct past tenancy holder of 113 Burncroft Avenue,

Between the date of

00/00/0000;

00/00/0000.

	<p>Had both continued to attack me against my free will, as already explained in this document.</p> <p>After asking him what he wanted I heard Alleys voice it never took me too long to recognise who it was after seeing him and hearing him.</p> <p>Alleys voice is very recognisable because when he speaks his voice and attitude towards himself and others are as if he can deceive any person in the world, an example, I know he has attacked me even low he does not know me,</p> <p>But yet he still came to my front door chatting as if we had been best friends for twenty years or more of our life's and without any acceptance or acknowledgment of the position him and Ambrose have left me in by taking apart in the evil and cruel treatment that they subjected me towards.</p> <p>Alleys voice on this day and the past six other actions that he has come down to my front door without myself ever answering the door in total to him, sounds like he has never done any of the evil thigs that he has to me in layman terms he sounds fake and unsympathetic towards the issues, but yet still sounds like he is trying to be your best friend when his actions speak different.</p> <p>When asking Alley why he was at my front door he explained to me that he just wanted to say hello to me alongside with this following comment, Ally explained that he still had a key for the flat upstairs referring to 113 Burncroft Avenue</p> <p>And that he intended to enter the premises and sleep over the night.</p> <p>I found this wired as I have never really got along with him as I have explained and I also understood that the flat had gotten vacated about 2 months prior.</p> <p>I explained that this was not my decision to take apart of and that I personal did not have a problem with his decision personally, when I said this to him I hoped that he had the brain cells available to possess the whole citation, for himself to then on after in a respectful manner, if he did chose to go ahead with his decision.</p> <p>While Alley was present still outside of my front door I asked Alley what was going on with Ambrose , because it was Alley who had come down to my front door and told me that he was going to be staying upstairs for a little while until the Enfield Council took the keys back of them both due to Ambrose losing the Flat and getting placed into a Mental Hospital again for the reason of testing positive on a drug test alongside other problems of his. I was shocked before when told what had happened to Ambrose, even allow, he had been the one attacking me without any fair cause not that any person should be issuing punishment without law anyway.</p> <p>I knew that I was right also on this day by not opening the door to Ally from the start and then on afterwards by deciding that I was defiantly not going to open it to him.</p> <p>I had heard a part of what Ally had to say.</p> <p>A few bangs on the floor but nothing major or abnormal to standard living.</p> <p><u>Later the same day:</u> "Ally and Friend 2 Unnamed at this time" All of a sudden, a loud intrusive mad banging started above my head and did not stop I moved around my flat and the people / person in 1113 were following me around again banging objects above my head</p> <ul style="list-style-type: none"> • <u>No front door</u> On my flat due to what the police have done to my home and me / Dated:25/05/2019. <p>Update</p>
26/05/2019	<p><u>Getting Arrested Partly for Trusting Alley!</u></p> <p>While indoors I started to tidy up, straight after awaking at 07:00am. I soon afterwards found myself sitting back at my commuter table working hard and of no bother to any other person by the time of 7:30Am.</p>

	<p>When working I noticed that I was again getting attacked by other people or a person's, adding more upset to my problems. To further my understanding of what was happening to myself.</p> <p>I noticed someone or more were inside of the flat above mine hitting the floor with objects. Door number 113 Burncroft Avenue I decided to move to another location within side of my flat and see if I got followed to where I stood for the same action of others to re occur. Doing this made me sure that the banging above my head was not just Alley Squatting in a residential flat doing a so-called normal living routing. At that point of time I believed it to be Alley, who had knocked at my front door the day before and explained to me that he was going to be staying inside of the flat in turn meaning without legal consent I.e. Squatting in a residential premise. While getting attacked I felt upset that I had trusted him again after what he and Ambrose had done prior to me I.e.</p> <ol style="list-style-type: none"> 1) Hitting the floor with objects. 2) Following me around in my flat 3) Flushing the toilet continuously when I am in my bathroom. 4) Not allowing me to live in my rented home while enjoying it. 5) Slamming Windows 6) Flooding the flat. <p>As prior explained, because of the current day prior, I thought that this person would be Alley, who had knocked at my front door so I decided that I would go upstairs and ask him if he could mind what he is doing in the flat. When I knocked on the front door, I was quite supposed to hear a young females voice</p> <p>and his Friend 2 a female with an unknown name as this time.</p> <p>2:00Pm Soon after staring work stuck the clock.</p> <p>3:00Pm</p> <p>Update</p>
<p>27/05/2019</p>	<p><u>Getting Arrested because the 2nd Tenants of 117 Set me up with the Met Police!</u></p> <p>I got held in the police station all night long again over malicious process due to what the police decided to do to me and my home.</p> <p>I got back home at the time of: When back at home I took a look at my front door and realised that there weren't much left I had to take a look at my self</p> <p>Update</p>
