Westminster sent the memorandum of conviction via an email after my request to the courthouse; I received this email on the <b>17/02/2014</b> not too long after us paying for it. When I received the email, I acknowledged that it demonstrated what I claimed all about and that it was in error. The failing to surrender got dismissed by the court a long time beforehand, so it should have never of been placed on my PNC record and this error on my criminal record is why I got sent to prison, due to no fault of my own. I know it should not be on a copy of my Police Record, stating that I got found guilty of this offence. In understanding this error and knowing that many more were on my record to which I disputed knowledge about I continued in my search for answers; Then on the <b>19/02/2014</b></p>

more Email's got sent to another courthouse such as; Highbury Corner Magistrates Court, to have all my PNC records checked, for cases that were heard by Enfield Court which Edmonton Police dealt with. This took time to address as there where a list of Records I wanted checked. While waiting for my replies from the courthouses regarding my criminal recorded being in error so I felt depressed because of all the ongoing in my life so I attend to the local doctors to explain how the police court case and bail conditions deterred, my life away from being in harmony.

Hi Josey

I just been emailed from the court the outcome of the city of London case fail to surrender as you will see from attached copy that has been sent over to me today from the court this case was dismissed. I had to pay £5.00 to get this from the court so I will email you the copy of the receipt also and the email I sent to court to get this dealt with I will send this over so you have copies of it. So, on Simon bail for this case there should be no fail to surrender, as he has never failed to surrender to the police or the court. Also, there are some other things on the PNC that I want to look into as there are some other errors, I am sure, but I wanted to get this one dealt with 1st as this was causing a problem. Also, Simon has looked over the section 8 and there are some errors with the dates Jemi put March and not May in 2 places also he put in section 2, 21. arrested win connections I think that should have been with and not win. Not sure if you corrected this with the one you sent over to the court.

Also is it 9.30am Simon needs to be at court tomorrow can you let me know please.

Many Thanks

Lorraine

Hi Lorraine

Thank you for the information. I have forwarded this to the barrister, Andy Locke who is covering the hearing tomorrow. I asked for the case to be removed from the list for two weeks as I have yet to hear back from the Insurance company and the prosecution, but the court went ahead and listed it. Simon must attend by 11am. His case is fourth on so if he arrives at court for 10.30am he will be in plenty of time. I will send a chaser email to the Trevor Allaway this evening. He is in court 7. If the insurance file and the disclosure from the police comes back favourably then coupled with the

confirmation that Simon has no convictions for failing to surrender I will try again to get his bail conditions relaxed but I stress I can only do this once I am in receipt of the disclosure and this will be dependent on what the disclosure reveals. I can then compile all the case papers for the defence and assess whether we can make a request for the prosecution to review the prosecution against Simon. I think that they will proceed regardless but I will try once I am in receipt of all the information and if this information assists the defence and undermines the prosecution. I will arrange an appointment with Simon for this weekend / early next week and I hope to have some disclosure before the. Any questions please do not hesitate to come back to me.

Regards

Josephine

To Whom It May Concern:

I am writing this email as I have an ongoing case at Woolwich Crown Court, and I have noticed some errors in my PNC record which the police printed of at around **25/06/2013**

I would be very grateful if you can pull up the following records so I can check them with the PNC the police printed off for the case that is ongoing at Woolwich Crown Court, I have been told I will need a Memorandum of conviction or the transcript for the case.

I do know there are some errors on the cases that was heard at Enfield Magistrates and can see

them clearly, but due to how far they go back cannot remember some of the cases. I do also know some are correct but due to some dates being wrong on some of the ones I can see errors in I would like to check all the cases on the PNC that was heard at Enfield Magistrates. If this can be done as a matter of urgency due to the impact this is having on my life with the case that is ongoing at Woolwich Crown Court and my bail and other issues. If the information could be emailed to me, I would be grateful as I am next in court on March **2014** and would like this information of any errors so I can show the judge. Please see below the lists of cases I would like information on.

To Whom It May Concern:

I am writing this email as I have an ongoing case at Woolwich Crown Court, and I have noticed some errors in my PNC record which the police printed of at around **25/06/2013**

I would be very grateful if you can pull up the following records so I can check them with the PNC the police printed off for the case that is ongoing at Woolwich Crown Court, I have been told I will need a Memorandum of conviction or the transcript for the case. I do know there are some errors on the cases that was heard at Enfield Magistrates and can see them clearly, but due to how far they go back cannot remember some of the cases. I do also know some are correct but due to some dates being wrong on some of the ones I can see errors in I would like to check all the cases on the PNC that was heard at Enfield Magistrates. If this

can be done as a matter of urgency due to the impact this is having on my life with the case that is ongoing at Woolwich Crown Court and my bail and other issues.

If the information could be emailed to me, I would be grateful as I am next in court on March 2014 and would like this information of any errors so I can show the judge. Please see below the lists of cases I would like information on.

**There were six different records that were not in the court registry: --**

The day was the

**13/03/2014**

and my mother helped me at my request and did so and in return she attended to the Enfield Magistrates Court for me to pick up information about my criminal record being in error, as got requested of me by the courthouse from my previous request. When my mother arrived, she got told that there were six different records were not in the court registry and contained on my criminal

record, it also got explained by the court employee that if the six dates on my record were not in the court registry, as they were not, then they were never herded before in court. The lady working in the court continued to tell my mother she had seen nothing like this before and said it got worrying, I am still trying to address this, but no one seems to be able to help. I questioned to others; how can there be six different records on my PNC, yet they have never been to court?

Dear Mr Cordell,  
Further to the conversation between Mrs Cordell and a member of staff yesterday, please specify which dates and offences you wish us to check. Almost all the offences are archived and not immediately accessible using the computer; specific dates and offences would help reduce the delay in providing this information.

To Whom It May Concern:

I am writing this email as I have an ongoing case at Woolwich Crown Court, and I have noticed some errors in my PNC record which the police printed of at around 25/06/**2013**. I would be very grateful if you can pull up the following records so I can check them with the PNC the police printed off for the case that is ongoing at Woolwich Crown Court, I have been told I will need a Memorandum of conviction or the transcript for the case. I do know there are some errors on the cases that was heard at Enfield Magistrates and can see them clearly, but due to how far they go back cannot remember some of the cases. I do also know some are correct but due to some dates being wrong on some of the ones I can see errors in I would like to check all the cases on the PNC that was heard at Enfield Magistrates. If this can be done as a matter of urgency due to the impact this is having on my life with the case that is ongoing at Woolwich Crown Court and my bail and other issues. If the information could be emailed to me, I would be grateful as I am next in court on March **2014** and would like this information of

any errors so I can show the judge. Please see below' the lists of cases I would like information on.

Subject: Re: Simon Cordell error on record.

To Whom It May Concern:

I am writing this email after a call that was made to the City of London Magistrate Court on the 10/02/2014 about a list that is on my PNC that is incorrect.

I was told to write this email including as much information as I could to get this updated.

I have contacted you a few times before about this Error on my PCN and was told that you would get it updated but as of now this has never been done.

I was told on the 10/02/2014 when I called due to the date that it would be down to the police to update this. You would have only forwarded the information to the police to get this updated.

The Error is for a case that was heard on the 03/03/2008 at the City of London Magistrate Court, for failing to surrender to custody at appointed time, on the 25/01/08.

The error is that I did not go to go but my mum called the court and a sick note was handed to the court and the case was dismissed, so should not be on my record

This has caused me problems with bail on a few times and this is why calls have been made before to the court, at this time it has been causing me problems again with a case I am at Woolwich Crown court for.

I have attached the page for the PNC print out the police did for the case at Woolwich crown court that I am on bail now for. This print out was done by the police on or around the 26 June 2013 for the Woolwich case.

I do feel this is causing me problems with my bail and I am therefore asking for this to be dealt with as fast as possible in order that I can show the court this should in fact not be on my record.

**407,**

I was told on the 10/02/2014 when I called that if I ask for a court transcript that this could be done faster than updating the PNC records and I would be able to show the Judge at Woolwich crown court the court transcript for the case that is on my file in error and that should be enough to prove that it should not be on my record. I am there for asking for the court transcript to be sent to me if there are costs for this please email me back with the cost for this to be sent to me and I will get this paid to the court.

Please see attached file for the page in my PNC record which is there in error I have highlighted the case.

If this can be done as a matter of urgency due to the impact this is having on my life.

Many Thanks Mr Simon Cordell DOB 26/01/1981
